Objective

To apply my design and illustration skills, and create effective and engaging UI/UX designs.

Experience

Web Design Intern - January 2016 to Present

- Worked for University at Little Rock in the IT Department.
- I learned more about developing and designing a site for the internet.
- I made mock-ups of web pages and designed the current UALR Newsletter the IT Department sends through email.
- I also designed custom art and icons for the department to use.

Intern for Alcoa - May 2014 to August 2014

- Worked as a summer intern for an aluminum plant ran by Alcoa.
- Conducted inventory and logged company blue prints using spreadsheets.
- Helped organize a food drive for the children in the community.

Education

University of Arkansas at Little Rock (UALR)
